will habitually employ the Hughes plan of aprealing directly to the people on legisative matters. He said so explicitly tonight in the host received speech he has nucle since his campaign for Republican as well as Democratic votes began.

Dr. Wilson did not name Gov. Hughes, t after he had been cheered with a fine. disregard for the 3,000 sets of vocal chords. in the Taxlor Opera House and the whole extraordinary audience of college professors students, laborers, families and ast man had stood while the band played hid Nassau" he launched straight forth.

You want to know what I shall try to he began with quiet vigor "My oppotent. Mr. Lewis, who accepted the Republican nomination on this very platorm as I accepted mine, said that if elected he would aim to be a constitutional Governor I take it he means that he would never in the least attempt to coerce anybody, and especially a Legislature. He would content himself with addressing the lawmakers assembled and then while they discussed the subjects he proposed he would sit mactively by. I can't see that I am used to talking to other

Now there are various forms of coercien, and some are immoral. To coerce

But in coercion, to give it the out and out name, an Bonorable way exists, and if you elect me I will take it. I am going to take every important legislative matter and stump the State with it to find out how you think regarding it. There is nothing immoral in that.

Now as for the legislator's side of this or the politician's side, I am not such a good talker that they need be afraid of my eloquence. Therefore the only thing they need fear is my opinion. And coinions, to revert to Mr Lewis's aim. are not unconstitutional in this country."

You should have heard them cheer. county on election day. The Princeton man's invigorating naiveté conquered that big crowd in a way that he had evidently not dared to hope for. And refreshed and cheered by the applause of an audience that met him half way he went all have heard of a Boort.

"I have heard of a Board of Guardians in this State," he observed suddenly, and the choers changed to uncontrollable laughter. The board of guardians was the name by which the Republican State committee in New Jersey was last year lightly but frequently called. Dr. Wilson, with a walls receipt forth and vanishing writing for the angle process for the state of the sta
